Check

Use the Message Filtering button below to hide/show particular messages, and to see total counts of errors and warnings.

Message Filtering

Document checking completed. No errors or warnings to show.

Image report

The `img` elements of the page are shown below categorized by their type of textual alternative. Please review that the images in each group match that group's definition.

Images with textual alternative

The following images have textual alternatives. Please review that the textual alternatives make sense considering the purpose of the image in the context of the page and that phrases like "Image of ..." are avoided. Note that iconic images that are redundant with text next to them or purely decorative should have `alt=""` instead.

Image	Textual alternative	Location
Not resolvable	Play	From line 49, column 13; to line 49, column 73
Not resolvable	Waveform	From line 57, column 13; to line 57, column 52

Image	Textual alternative	Location
	Delete	From line 61, column 11; to line 61, column 67
	Play	From line 70, column 13; to line 70, column 73
	Waveform	From line 78, column 13; to line 78, column 52
	Delete	From line 81, column 13; to line 81, column 69
	Play	From line 96, column 13; to line 96, column 73
	Waveform	From line 104, column 13; to line 104, column 52
	Record	From line 112, column 13; to line 112, column 74
